SUPPLEMENTAL AMENDMENT

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

Further to the Amendment filed on August 24, 2000, please amend the above identified patent application as follows:

IN THE SPECIFICATION:

Please substitute the enclosed substitute specification for the pending specification.

Remarks

The previous Office Action objected to the specification and requested that Applicant submit a substitute specification. By this Supplemental Amendment, an appropriate substitute specification is provided. Also attached hereto is a copy of the original specification showing the changes that are made in the substitute specification. The noted changes to the specification include the changes made in the August 24 Amendment. No new matter is added by way of the substitute specification.
